Iron Turf in City of Bend Medians, and other Median/Roundabout Treatments

Jeff England spoke with Diane Crampton, Vice-Chair, Southwest Bend Neighborhood Association and Committee Chairperson, about participating in a newly formed citizens committee to study and discuss alternative median surface treatments for COB medians. “Lets Pull Together”- City Wide Weed Pull Results.

Bob Brell gave a report on the “low-turnout event”, mentioning that he and his wife, Dellie, along with Bill Padgham were three of only ten volunteers that met at the site/event. Discussion was brought up about better ways to improve turnout in future weed-pull events. Bob Brell commended the Orchard District Neighborhood Association for their organization of the post- weed pull event at Drake Park.

Mt. Washington/Century Drive Roundabout Safety Status

Jeff England reported on a conversation with Deborah Hogan, with the City of Bend Engineering Department about the safety issue at the Century Drive/Mt. Washington Drive roundabout. The planned meeting did not take place and Jeff England was told the issue was tabled for now and would be put back on the agenda with a focus on improving the safety in-and-around this roundabout. Jeff England was told the issue of safety for the Middle School children crossing Century Drive south of the roundabout would be handled in the bigger roundabout picture.

Bob Brell suggested we move forward and get our CWNA recognized by the City of Bend on July 20, 2005 first and then have a special CWNA meeting that focuses on this ongoing issue. All other board members agreed and a future meeting will be planned, suggesting that the start of the next school session would be a good time when parents and neighbors are best concerned.

Bite of Bend & SummerFest Booth Results

We received from Diane Ross, seven new membership applications from the Bite of Bend, and eleven membership applications from the Summer Fest. Diane Ross also noted the great feedback from all areas, excellent turnout at the booths, and excellent turnout of volunteers helping man the booths.

Diane Ross also presented the list of volunteers for both events. Jason Moyer was our only CWNA member to volunteer at the Bite of Bend. No CWNA members volunteered for the SummerFest.

A booth at Bend’s Fall Festival, October 1 and 2 is planned. More information will be available soon.

CWNA Membership Campaign Status

Denise Gorman and Judy will team up to create a brochure/mailer to assist in her membership campaign. It will also include an application.

Bob Brell will add to the next board meeting's agenda the review of the brochure.
